Rally News

* Alcan (August 16-24) – The course survey was productive, with a few TSD's added and one dismissed. Now he's doing the Rallymaster drudgery- lining up accommodations takes a lot of time. The Web site will reflect the latest confirmed entry level in a few days.

* Mountain Trials (June 12) got 13 entries for the regional, one-day stage rally. 4 DNFs. Gary Cavett and Mike Goodwin (Oregon) were from south of the border, both with Canadian co-drivers. Gary finished 2nd, Mike took 3rd.

Ron Sorem went north as a pace car. His Legacy's motor decided that 230,000 miles was enough and it was trailered home.

"Katy and I finished up the route Saturday and are quite happy with the course and accommodations.

More importantly, we know you'll enjoy the barbecue and party we have planned for the beach! The rally is a simple touring rally with no traps. All you need is a car with an accurate odometer, driver and navigator, clipboard, pen and a log for the bonfire.

The course takes us from Portland to Rockaway Beach, Oregon by way of Laurel, Forest Grove, Carlton, Beaver, and Tillamook. We're in the process of obtaining a permit from the BLM to make use of a wonderful paved one to one-and-a-half lane road that winds through the coast range. There will be ample opportunities to score and a generous lunch break. The barbecue at the finish also includes a tasty vegetarian option (I sampled it last night) and the motel even allows pets for a token fee.

This event promises to be a good time. Please join us! Best regards, Russ & Katy Kraushaar"

Rainier Auto Sports Club will meet this coming Monday, July 12, at 7:30 PM at Café Veloce at the Totem Lake shopping center. Best way I can think of to get there via north on I-405, take the "NE 124th" exit, then keep right under NE 124th and straight at the signal. This puts you on Totem Lake Blvd, not whatever the frontage road is next to I-405. Then right first poss, with the Café on your right at that point.

Monthly meetings are the second Monday of each month. Past Members, visitors, and spectators are welcomed.

Agenda: Nothing special to discuss and vote on.
