Rally News

* Totem (November 16/17) -Mother Nature seemed to be a bit behind, with little snow up until two weeks prior, but was making up for it right up to and during the two days of the event. The repeated description was "challenging".

Twenty-six rallyists for the TSD, with 2 DNF's, one with bodywork damage. The class breakdown was 7 UnL, 3 Historic (25+ yr. old car, unlimited equipment), 9 Calculator, and a full 7 Novices. No one entered the Paper (SOP to us) class.

Extending a long string of wins, Glenn Wallace/R.Dale Kraushaar had low score, followed by Dave Lachapelle/Nicki Beverley. 46 controls were scored.

RASC folk had interesting parings: Gary Webb/Jim Breazeale were 4th and Teresa Davenport had Marvin Crippen on the right seat of her BMW 325ix to finish 13th. The other 325ix, of Marinus/Renee Damm, ended up 6th.

The volunteer (worker) ranks were full of RASC people.
