Rally News

* Raindrop Rally is fast approaching – it happens in a week on April 17. The checkout went well, with a short description from Ron Sorem mentioning “brisk”. Whidbey Island is of course scenic.

All the factors that come together to make it a fun little rally are coming together. The Finish at the Farmhouse Restaurant will provide a buffet for those who need sustenance after the fine drive. Trophies await “inspiration”. Entries are lagging behind optimistic hopes.

* No Alibi (June 4-5) – The annual weekend adventure to eastern Washington is looking much like last year’s successful rally. Roads are being explored around Walla Walla. The budget, such as it is, has been submitted to the RASC Board for approval; the registration will open soon after.

* Stage rallies: News from Oregon Trail (April 22-24) is promoting the exciting Friday night Portland International Raceways stages again before moving to Hood River for gravel roads. New roads are being used on the north side of the Columbia River, including the famous (paved) Maryhill Hillclimb. The rally will finish on Sunday at the Dufur park.

Olympus (May 14-15) has new routes on Green Diamond lands. Something unique to the program was a “road cleanup” day on April 3, where users (motorcycle clubs, etc.) make it a day of collecting trash.

These are the west coast’s appearance of the Rally America series.

* More Winter Alcan notes- all diesel pumps aren’t equal, as the Ranhoffer’s found when some nozzles were too large to fit the Porsche Cayenne’s tank. One solution was to refill from their “jerry can” after filling that from the “trucker size” gas pump.

Asked about carnage, Steve Perret mentioned that “offs” weren’t kind. Yes, a Mini’s A/C pump can be tie-wrapped to last for many miles. It was so cold in Yellowknife that a brush with a snowbank shattered the plastic bodywork of his Subaru.

Club News

* Rainier Auto Sports Club meeting minutes for March 2016 recorded by substitute secretary Diamond Jim Breazeale.

Meeting called to order at 19:30 with 12.5 members attending.

February meeting minutes were accepted as read by Charles.

Madam Treasurer reported a bank balance of \$5289.17. She also reported that the Club's taxes were filed with assistance from Jerry Hines. Queries concerning insurance were answered.

RALLY REPORTS

Raindrop Rally- RM Diamond Jim reported the route was finalized, ending location finalized and a collective checkout run is scheduled for Sunday, April 3rd. Pleas for workers are again sounded. Motion to raise the entry fee to \$40 was passed. Nolte confirmed progress on the Trophies.

No Alibi Rally- RM Mark Nolte reported progress on his route. Hotel rooms in Kennewick at the Red Lion. Other hotels near can be found for lower rates. BBQ for dinner with Grill Masters. Entry fee remains \$175. No shirts or hats in the budget. And some explanations to Mark about how PayPal works.

Garmina Shrugs- Steve Richards novel GPS rally will have a \$20 entry fee, 30-car maximum with online registration encouraged and will end at Sparta Pizza in Bothell.

Nor'Wester Rally- Both Route and Rally Masters are waiting for the snows to melt. Work on details continues in the background.

Friday Niter Rally- Recap of the NWRC event. RASC fielded a checkpoint crew with Nolte, Charles, Kyle and Diamond Jim entertaining the competitors, neighbors and the local Sheriff who came out to investigate reports of kids doing illegal street racing. After talking to the old rally guys and getting an invitation to Raindrop he went away with a laugh and a smile.

OLD BUSINESS-

The Car Number topic was raised with greater urgency with Raindrop looming near. Marvin and Ron took command.

With the growing maturity of the club members, it was presented as a nicety to have our rally families In Case of Emergency contact info. I.C.E. As a rally family we have had to contact others to explain details. If you are comfortable giving some info to your rally family, do so; it will ease some confusion during an emergency.

NEW BUSINESS-

Alcan regulations will likely continue to evolve as technology allows for better comms and marketing.

Madam Treasurer reminds us that Dues are... due and threatens a pledge drive.

Call to adjourn at 20:31

*Chuckanut Sports Car Club (Bellingham) has a tradition of having an event if there is a 5th Wednesday in a month.

March's event was a less-than-an-hour rally. Ken and Sue Lingbloom put together a friendly route and used the Touring format as an introduction to rallying for the club members. Hopefully a few of the 10 participants will run the Raindrop.

Trivia

* Some Alcan cars stayed on in Alaska, Jerry and Steve Brown sold their rides to Alaskans and flew home. Others will return after repairs in the far north, when the weather is warmer.

Troy Jorgensen's class-winning Subaru was driven home. The car didn't suffer at all from the trip, except that now a mysterious ailment has defied analysis, resulting in a miles-per-gallon drop to about 17, from 24.

* Brian Cary vacationed for 10 days on Easter Island. He described the car population as "mostly micro Japanese cars", many suffering from salt damage. He rented a scooter, where he found gas prices "about like Canada".

*Maps. DeLorme introduced their state atlas's in the late '70's, amazing buyers with details not available on gas station maps. A similar atlas is made by Benchmark now. Ron Sorem pointed out that a small difference makes a big difference- the pages overlap, so following a road on one page is easier to follow on the next.

The little dashtop Garmin GPS units save routes in memory, and can be downloaded to computer mapping (Garmin's own BaseCamp and Google Earth). Nolte had high hopes until finally downloading to find that the GPS picks its own start/finish, and collects 800+ data points in just 18 miles. Very hard to aggregate measurements as small as 5 feet. -MN

Rainier Auto Sports Club will meet this coming Monday, April 11, at 7:30 PM at Café Veloce (Totem Lake shopping center). Best way I can think of to get there via north on I-405, take the "NE 124th" exit, then keep right under NE 124th and Straight at the signal. This puts you on Totem Lake Blvd, not whatever the frontage road is next to I-405. Then right first pass, with the Café on your right at that point.

Monthly meetings are *usually* the second Monday of each month. Past Members, visitors, and spectators are welcomed.

Agenda: The usual for April. Rallies coming up.

Dues will be the same in 2016: \$25 single, \$30 family. Club policy is to accept money anytime, even three months into the year.
